

## **SPECIAL FUND**

In accordance with Article 9 of Local Lodge 83's By-Laws, if the General Fund exceeds \$300,000 for one (1) month a member can voluntarily divert one-half of one percent (1/2%) of his field dues to a "Special Fund". This "Special Fund" shall consist of three (3) different parts, which are:

Sick & Distress Fund – 65%  
LEAP/LEF Fund – 20%  
Scholarship Fund – 15%

Because contributions to the fund are voluntary, you must let this office know if you want to divert 1/2% of your total field dues to the "Special Fund". If you do, please complete the form below and return it to this office. If you do not return this form, your dues will remain in the General Fund. Please note: To be eligible for benefits from the Sick & Distressed Fund and the Scholarship Fund, an applicant must have been signed up for contributions to all three (3) Special Funds for one (1) year prior to receiving benefits.
